

# INDIVIDUAL MUSIC TUITION

Panorama Primary places a high priority on music education as the learner is exposed to a great variety of musical activities. We believe that music helps to develop healthy and balanced learners and that the discipline associated with it can have a positive influence on all aspects of education and later in life.

The school has five qualified music educators as well as one private violin teacher. Lessons are presented during and after school in the following instruments:

- ♪ Piano
- ♪ Keyboard
- ♪ Guitar
- ♪ Recorder
- ♪ Clarinet
- ♪ Voice training and Violin

Our focus is to develop the learners' musical talent, self-confidence and to give them an opportunity to participate in a variety of concerts, Eisteddfods and exams. Each learner receives tuition according to his/hers unique ability so that they can progress at their own pace. Our learners are given the opportunity to enroll in external exams at Unisa, The associated Board of the Royal Schools (UK), Trinity College of London and ALMSA (Afrikaanse Ligte Musiek van Suid-Afrika). Our learners perform at our annual music concert, as well as at Tygerberg Eisteddfod, Panorama's own Eisteddfod (Panorama Artistico) and are invited to perform in many concerts. In spite of COVID, we presented a very successful E-concert in 2020 where our learners had the opportunity to showcase their talent.
